

Human × AI Finance — Submission Form

Alternative to the online Google Form

Instructions

This PDF form is an alternative for participants who cannot access the Google Form at <https://humanxaifinance.org>. Fill in the fields below (digitally or by hand) and email the completed form along with your submission files to:

vhaddad.research+humanxai@gmail.com

Your email should include the following attachments:

- This completed submission form (PDF)
- Your paper (PDF)
- Machine-readable version of the paper (LaTeX, Word, or Markdown; zip if multiple files)
- AI workflow description (.md, .pdf, or .txt)

Submissions are due by March 18, 2026.

About You

These questions help us understand who is participating. Your answers will not be shared with AI reviewers.

Your name *

Your email *

Consent

By submitting, you agree to the following terms. Answering these questions is required for participation. You may withdraw your consent at any time by emailing vhaddad.research+humanxai@gmail.com.

AI review consent *

- ☐ I understand that my submission will be evaluated by multiple AI systems using various review methodologies, and that no human will be involved in the selection decision.

Research use consent *

- ☐ I consent to my submission and associated metadata (workflow descriptions, AI model information, review scores) being used for academic research on AI-assisted writing and automated peer review. Only anonymized and aggregate statistics will be published. No individual paper or author will be identified in any research output without separate explicit permission.
- ☐ I do not consent to research use.

Do you consent to having your paper published online? *

- ☐ Yes
☐ No

Do you consent to having AI reviewer comments published online? *

- ☐ Yes
☐ No

Do you consent to having AI reviewer scores published online? *

- ☐ Yes
☐ No

About Your Background

These questions are for research purposes only. Your answers will not be shared with AI reviewers.

Occupation and title *

e.g., Assistant Professor, PhD Student, Research Analyst

Your affiliation *

University, company, or independent

Programming proficiency *

- ☐ "What's a terminal?" — Never written code, no desire to start
☐ "I can Google my way through a script" — Occasional coder, copy-paste fluent
☐ "I write code that works (eventually)" — Comfortable with Python or R
☐ "I dream in list comprehensions" — Fluent programmer, writes packages
☐ "I have mass-committed to production" — Software engineer or equivalent

Paper writing experience *

- ☐ "This is my first rodeo" — Never written an academic paper
☐ "I survived a term paper once" — Written a few papers for coursework
☐ "I've survived peer review" — Published or submitted to journals
☐ "I've been on both sides of the review process" — Multiple publications, also referees
☐ "I get more referee requests than emails" — Senior scholar, extensive record

Paper Information

Your answers will not be shared with AI reviewers.

Paper title *

All author names and affiliations *

List all authors (including yourself), one per line. Format: Name — Affiliation — Email

Start-date confirmation *

☐ I confirm that formal work on this paper began no earlier than February 18, 2026.

AI Tools Used

Tell us about your AI workflow. Your answers will not be shared with AI reviewers.

Which AI model(s) did you use? *

List all AI models used in producing this paper (e.g., Claude, GPT-4, Gemini, Copilot, Llama, etc.). Include version if known.

How did you use AI in your research process? *

Select all that apply.

- ☐ Literature review
- ☐ Data collection or processing
- ☐ Data analysis or coding
- ☐ Theorem generation and proofs
- ☐ Numerical analysis and simulation
- ☐ Writing or editing
- ☐ Other: _____

How did you interact with AI? *

Select all that apply.

- ☐ Chatbot
- ☐ Agent
- ☐ API
- ☐ Other: _____

AI workflow description

Describe how you used AI throughout the research process — what tools you used, for which tasks, and how they helped. (You may also attach this as a separate file.)

Paper Submission

Attach the following files to your email. Both the paper PDF and machine-readable version will be provided to AI reviewers.

- **Paper (PDF) *** (.pdf only, max 10 MB)
- **Machine-readable version *** (.tex, .docx, .md, or .zip — max 10 MB)
- **AI workflow description *** (.md, .pdf, or .txt)
